

# EQ - Knife - Microplane

## Microplane

- Name: Mircroplane
- Description: A Microplane is a versatile kitchen tool featuring ultra-sharp, grating blades, ideal for effortlessly zesting citrus, grating cheese, and shaving spices, making it essential for enhancing flavors in home cooking.

## Uses

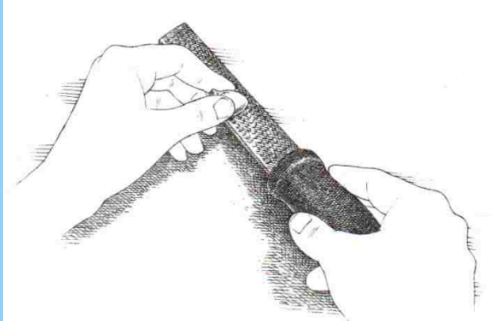

### Grating

Microplane’s razor-sharp blades effortlessly grate hard foods—Parmesan, spices, zest—making it an ultra-versatile kitchen tool.
